PERSONAL

Honorable Lewis L. Strauss  
Chairman  
Atomic Energy Commission  
Washington 25, D. C.

Dear Lewis:

Many thanks for your kind invitation of May 15 to attend one of the forthcoming tests at the Nevada Test Site in June and July.

I sincerely regret that I shall be unable to accept this year, especially since I thoroughly enjoyed and profited from (on balance in more ways than one, i.e., earnings and emoluments, \$17.00--losses, 1A's Vega, \$11.00) my previous trips.

I shall be well represented as two of my Deputy Directors are planning to be present at one or another of the tests. Frank Wisner will be attending in his capacity as an alternate on the OCS and Bob Amory will be going as a member of the NSC Planning Staff.

Sincerely,

SIGNED

Allen W. Dulles  
Director
